This matter was opened to the New Jersey Board of Dentistry (hereinafter "Board") upon receipt of a patient complaint from V.P. on behalf of his mother A.P. The complaint alleged that Charles L. Barison, D.D.S. (hereinafter "respondent") failed to conform to standard dental practice in the State of New Jersey. Specifically, V.P. alleged that respondent did not render proper treatment regarding placement of crowns for the patient, A.P. On August 19, 1998, respondent appeared without counsel at an investigative inquiry into the matter held by the Board.

Having reviewed the entire record, and having heard the testimony of respondent at the investigative inquiry, it appears to the Board that respondent failed to maintain a proper patient record as required by N.J.A.C. 13:30-8.7(a) in that he failed to document periodontal charting and a formal treatment plan. These failures form the basis for disciplinary action pursuant to

N.J.S.A. 45:1-21(h). After a preliminary review of the record in this matter, the Board is satisfied that any concerns it might have with regard to treatment will be adequately addressed by virtue of respondent's agreement to undertake additional continuing education, and that the within order will resolve this matter without recourse to further investigation:

IT IS, THEREFORE, ON THIS 29 DAY OF JULY 1999,  
HEREBY ORDERED AND AGREED THAT:

1. Respondent shall pay a civil penalty in the amount of \$500.00. Payment shall be made by certified check or money order, payable to the State of New Jersey and forwarded to Agnes Clarke, Executive Director, Board of Dentistry, P.O. Box 45005, Sixth Floor, 124 Halsey Street, Newark, New Jersey 07101 contemporaneously with his signing of this Consent Order.
2. Respondent shall pay costs of the investigation in this matter in the amount of \$115.00. Payment for costs shall be made by certified check or money order payable to the State of New Jersey and submitted to Agnes M. Clarke, Executive Director of the Board, at the address above, contemporaneously with his signing of this Consent Order.
3. Respondent shall successfully complete the following continuing education: seven (7) hours of basic crown and bridge and fourteen (14) hours of oral diagnosis and treatment planning. These courses shall be completed within six months of the entry of this Consent Order. Further, these courses, which are in addition to the regularly required continuing education hours, shall be approved by the Board in writing prior to attendance, utilizing the

attached Pre-Approval sheet. Respondent shall also be required to complete the attached continuing education Report and Proof of Attendance as proof of successful completion of the required course work. The attached forms are made a part of this Consent Order, and a separate form is to be used for each course.

4. Respondent shall reimburse A.P. in the amount of \$1,000.00. A certified check or money order made payable to A.P. shall be sent contemporaneously with the signing of this Consent Order to Agnes Clarke, Executive Director, Board of Dentistry, at the address above.
